BRISBANE CELEBRATES!

After a long delay, the Recreation Center Building and Playgrounds was officially opened on Oct. 12, with one of the most colorful and gayest parades seen in Brisbane, along with appropriate speeches, Flag raising ceremonies and free refreshments were served by the Recreation Commission.

Beautiful floats and marching units were outstanding in the mile-long parade. Organizations participating included: Brisbane Fire Department and Auxiliary, American Legion and Auxiliary, Brisbane Chamber of Commerce, Boy Scouts, Girl Scouts, Brownies, Sarg Blair and his Rangers, Cubs and the "Teen-Agers." The parade got off with a good start at 1 P.M. sharp, gathering at the Recreation Center and then proceeding up San Bruno Ave. to Alvarado St., over to Visitacion and then down to the Center.

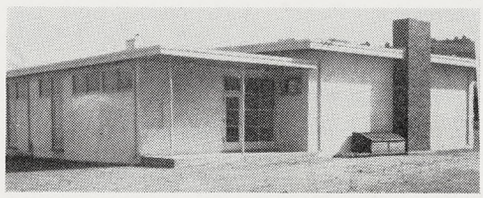

With the termination of the parade at the Playgrounds and an estimated crowd of one thousand persons, the Flag raising ceremonies at the Recreation Center, was witnessed by all. Carried out in true military style with a volley of rifle fire by Sarge Blair's Rangers, and the School Band playing the National Anthem, the Colors were hoisted by Mr. Richard Fassett of the American Legion. Under the direction of the Legion, with Mr. Ted Bons as parade Chairman, this part of the program was carried out beautifully. The American Legion are to be congratulated.

After the Flag raising, the School Glee Club, under the direction of Miss Bartlett, the local kindergarten teacher, presented a very enjoyable entertainment.

Invocation was read by the Rev. Father Dransfeld, followed by short speeches by Rev. Bennett, First Baptist Church; Rev. John Myers, Church of the Nazarene; Rev. Edward Lane, Southern Baptist Church.

Next on the program was the crowning of the Queen by Supt. of County Playgrounds, Mr. Ralph Shaw. The winner of the Queen contest, sponsored by the PTA, was lovely Dolores Hoskins, truly a queen. Her two ladies in waiting were the runners-up in the queen contest, Miss Melody Ingram and Miss Joy Fogleman. The ensemble added the proper touch to the entire program; a blonde, a brunette and a redhead.

After cutting the ribbon across the doorway of the Building, the Queen announced that the Recreation Center was officially open, whereupon she and her ladies in waiting ascended the Throne within the building and received all visitors. The Recreation Commission served free refreshments.

New Recreational Center

Mr. Herbert Harris, Chairman of the San Mateo County Recreation Commission, was on hand for the opening and expressed his amazement at the wonderful co-operation displayed by everyone in regard to the opening of the Center.

It is estimated that at least one thousand persons witnessed the parade and program at the Building. The largest crowd ever assembled in the history of Brisbane.

Left to right: Jean Fogelman, Dolores Hoskins and Melody Ingram

In the evening, the first dance was held in the Auditorium of the new Building. All thanks for this colorful event should go to the "Teen-Agers."

They received permission to sponsor the dance with the full co-operation of the Brisbane Recreation Commission. With funds they received from former dances, the "Teen-Agers" furnished a most enjoyable evening. The dance was the most colorful event ever held in Brisbane. The beautiful formal dresses the women wore and (a few male tuxedos) added to the gaiety of the occasion. An evening long to be remembered.

George Babkirk—Soap Box Derby Winner

As a continuation and part of the Recreation Center celebration, the Soap Box Derby, sponsored by the Fire Dept., was run off Sunday afternoon, Oct. 13. The event was postponed until Sunday so as to provide a time when hazardous traffic on the streets was at a minimum. The course selected for the races was San Bruno Ave. The starting line was at the Fire House and the finishing line in front of the Hardware Store.

The twenty-one qualified entrants of the races were: Richard Soward, Edward Brenzel, Alwin Warfel, Jack Nail, George Tann, Rodney Wehmeier, Bobby Harper, George Babkirk, James Chase, Charles Hanchey, Ronny Smith, John Bowcock, Larry Blanchard, Miss Barbara Kyles, Henry Schmidt, Louis Brown, Bobby Denton, Wilmer Olson, Raymond Valemanroy, Bobby Togleman, and Jimmy Smith.

The races were divided into two groups, children up to thirteen years of age and those of fourteen years or older. After a full afternoon of exciting races, the following winners of all events were announced. Top winner of all events was George Babkirk, who won $66.75. Second high, Charles Hanchey, winner of $30.00. Third award went to Barbara Kyles, $12.50. Also as a runner-up and prize winner, Sonny Brenzel received $12.50.

The Soap Box Derby proved to be one of the most outstanding events ever witnessed in Brisbane. The sponsors, the Fire Dept., are now making plans to make it an annual event.

Attention, Citizens of Brisbane!

Your Editor, in the past two weeks, has received several letters through the mail from citizens who had hopes that their letters would be published in the *News Bulletin*. Without a single exception, all these letters were anonymous. For your information, it is illegal and unethical to have an anonymous letter published. The Editor and Publishers cannot stand liable for your slurs and slander against your fellow neighbor. If you have a legitimate gripe to offer or a bouquet to toss, please be man or woman enough to sign your name and address. The letter then can be published under "Anonymous," but your name and address will be kept on file.

The American Legion is sponsoring Armistice Day Ceremonies Nov. 11 at 10:30 A.M., to be held at the Recreation Center Building. They extend an invitation to the entire community to attend this first ceremony by the returning Veterans of World War 2. A good turn-out would be appreciated by the Legion.

I wish to thank the members of the Brisbane Ambulance crew and Fire Dept. and the many friends and neighbors, for their help and kind sympathy in my recent bereavement, the loss of a loving husband, late Peter Hamilton.

(Signed) MRS. LAURA HAMILTON.

Recreation Commission Announces a Definite Program for "Teen-Agers"

Under a self-governing program, directed by Richard Cowan, Director of Playgrounds, the "Teen-Agers" will conduct their own social activities at the Recreation Center. At a meeting held the evening of Oct. 24, it was explained how other Teen-Age groups were operating within the County.

As a result of an election, the following "Teen-Agers" were put in office: Walter Hubrig, President; Joy Fogleman, Vice President; Shirley Babkirk, Secretary; Norman Brown, Treasurer. Committees were: Decoration, Beverley Varley, Duane Blackmore, Olive Chapman; Refreshment and Entertainment, Bill Fairhurst, Bob Tann, Melody Ingram and Ester Tickanen. Richard Felton will be in charge of a clean-up committee. Norman Babkirk, Jr., and Laura Ross were selected to attend all Commission meetings to act as go-betweens for the "Teen-Agers" and the Recreation Commission.

The Social affairs that the "Teen-Agers" sponsor will be for High School children only. Adults are not expected to attend. The first Social affair was scheduled for Friday night, Nov. 1st, from 8 P.M. to 11 P.M.

All Hail to the PTA

Due to their planning and foresight to provide an entertainment for the Kiddies this Hollowe'en Eve, The Tricks or Treats routine (petty blackmail) was held down to a bare minimum. The little "blackmailers" were off the streets before 8 o'clock. No doubt they found a much more wholesome way to celebrate at the PTA carnival, held at the School House.

First Monthly Community Dance

For the purpose of raising funds to fully equip and furnish the Recreation Building, monthly dances will be held in the Auditorium. The first dance will be held Sat. night, Nov. 9th. Adults, $1.00—"Teen Agers," 50c. Music by Peter Butti and Band.
